Focus on Sunday School:

I would like to encourage all parents to come to Sunday School AND bring your children and/or grandchildren. Make Sunday morning a habit of learning and worship.
Susan

Sunday school is such a very important part of transforming the lives of Christians. In Matthew 28:19a & 20a, Jesus says, "Therefore go and make disciples...and teaching them to obey everything I have commanded you. Notice Jesus does not say just what to or how to obey but to obey.

Teaching Sunday School needs to be more than just imparting information, although knowing the stories in the Bible is very important. But knowing and following go hand in hand.

We may know that Queen Esther walked in danger to help her people escape a death sentence. But we can follow her example by asking our fellow Christians to pray for us as we ready ourselves to do as the Lord commands and then actually **do** His will.

Learning to take that step in faith is important. Doing the will of God is what we are called to do.

Gain information. Strengthen your walk. Step out in faith.

Attend Sunday School.
