### Focus on Sunday School:

*I would like to encourage all parents to come to Sunday School AND bring your children and/or grandchildren. Make Sunday morning a habit of learning and worship.*  
Susan

November is a month of thanksgiving. We focus on our blessings and what the Lord has done for us-even in times of trials.

We are thankful to a church that promotes Sunday School and recognizes the importance of teaching all ages about Jesus.

Here at First Baptist we are very thankful for our Sunday School teachers. We have dedicated teachers who are willing to donate their time to preparing their lessons for each class.

We are thankful to those who have produced the literature used for Sunday School to assure it focuses on the true explanation of the Holy Scriptures.

But mostly, we are thankful to the Lord Jesus Christ for His love and mercy, and for showing us the right way to love.

Have you made a habit of Sunday School yet? Please do. You won't be disappointed.

*Attend Sunday School.*

*For the Lord gives wisdom, from His mouth comes knowledge and understanding.*
